Music by Mrs. Trainor's Orchestra.

Gents \$1.00 Ladies 50c Everybody Welcome

WEDNESDAY HALF-HOLIDAY

On and after April 8th, the Pioneer Meat Market and the Strathmore Meat Market will close each Wednesday afternoon at 1 p.m. GEO. SNAITH J. J. McCARDELL 22-4

As will be seen from advertisements in this issue, Luke Yim has taken over the King Edward Grill from Mr. Frank Miller.

Seeding In Full Swing

Seeding is now general. The land is in fine shape, with abundant moisture, and the crop is assured of a good start.

During the past week there have been several light rains, and if the season continues as favourable all the way through as it is in the spring, the outcome in the fall will be very good.

PROPOSED AGRICULTURAL SOCIETY FOR STRATHMORE

Mr. Farmer, and others, if you want Strathmore to have a Fall Fair this year, do your bit by joining up at once. The fee is only one dollar, and the application form can be signed at the office of Mr. F. J. Dunn.

About twenty more names are needed at once so that the application can be sent to Edmonton. This is the best district in the Province and we can advertise it by having a real fall every year. Get busy.

COMING EVENTS

Strathmore Board of Trade Supper and Meeting in Memorial Hall, 6:30 p.m. Wednesday, April 29th, 1925. Everybody welcome. Notify F. J. Dunn, secretary, if you will be there so that arrangements for supper can be made.

NOTICE TO M.D. KEOMA No. 249

Notice is hereby given to abate nuisance in respect to dumping garbage on the public roads. Many parties have been doing this, and they must remove same immediately. Certain individuals have been reported, and action will be instituted if this matter is not attended to. A. C. Scratch, Reeve

Improvements at C.P.R. Headquarters

A considerable amount of building work is being carried on this spring at the C.P.R. Irrigation Department Headquarters at Strathmore. The ground is being cleared this week for a new store building, measuring 78 x 48 feet, which will be built right away, and the cottage occupied by Mr. Alex Gray is being enlarged and remodelled.

To clear the ground for the new store, a number of large trees have had to be taken out. These consisting principally of evergreens and poplars. They are being planted to the west of headquarters in a grove. The level of the dam there is being raised to form an artificial lake for stock watering, and with the trees will form an added beauty spot in the neighborhood.

Headquarters are very busy at present getting the camp crews and outfit ready for the season's work. Several crews are already out, and they will move out within the next two weeks.

Electric Power

The Company are at present considering the advisability of adding an additional turbine at Bassano dam, but no definite decision has yet been come to. At present 250 kw. is being developed there and sold to the United Engineering Co., who are distributing to Bassano, Chumy, and Gleichen.

If this is considered favourable, Strathmore and Brooks will be supplied with electric power from this source, which will be of great benefit to the local irrigation headquarters, the Demonstration Farm, and the town. Negotiations were in progress some time ago between the Town Council and the United Engineering Co., and we understand the prospect for power this year depends on the C.P.R.'s decision with regard to increasing the capacity of the electrical plant at Bassano Dam.

C.P.R. Cancellation Case Adjudged

The Petition of the C.P.R. Co., asking cancellation of the loss in Strathmore, now owned by them, and that same be turned into acreage, was heard by Mr. Justice McCarthy in chambers in the Supreme Court on Monday morning.

Counsel for the Town moved that the application be dismissed on the ground that the Judge had no jurisdiction to hear it. Although Mr. Justice McCarthy inclined to that view, he stated that he would reserve the matter and advise counsel.

Counsel for C.P.R., J. McCall; for the Town, Geo. H. Ross, K.C., and T. M. Wears. A petition in similar terms, asking cancellation of lots in the hamlet of Carlsland came before Mr. Justice McCarthy, where the question of jurisdiction was also raised, with the result above stated.

This Petition is directed to the M. D. of Bow Valley, who are opposing same.

Counsel for C.P.R., J. McCall; for the Bow Valley M.D., Geo. H. Ross, K.C.

Appealing Assessment

The C.P.R. have appealed the decision given at the recent Court of Revision in regard to assessment of their land now subject to taxation. The appeal will be heard soon by a Judge of the District Court.

"Grumpy" on the 27th

On Friday evening Tudor Dramatic Society presented "Grumpy" to a good audience in Nightingale Hall. The same company will present Cyril Maude's masterpiece in the Memorial Hall, Strathmore, on Monday, April 27. Everywhere that the play has been shown by the Tudor Theatricals during the past three weeks it has been thoroughly enjoyed, and Strathmore will be no exception. We would advise our readers to turn out in strength. They will be well rewarded.

Standard

Master Wallace Pringle returned to Lacombe on Saturday, after spending his Easter vacation with Mr. and Mrs. F. D. Knowlton.

Mr. J. P. Madson has purchased a new car.

Mr. A. E. Sparks, of Jenner, Alta., has arrived in Standard, and is erecting a blacksmith shop between the Banner hotel and the S. and S. Hall, where he will carry on his business as soon as the shop is completed.

Mr. and Mrs. F. Messenger, and little Miss Louise, returned from England a short time ago, after spending the winter months in the Old Country. We are glad to welcome them back to Standard.

Mr. and Mrs. Russell Kidd and Master Bibby Kidd, of Pontiac, Mich., are guests at the home of Mr. and Mrs. G. H. McKee.

Mr. E. L. Wirt is waiting for good roads, so that he can bring his new Buick Six home from Calgary.

We are glad to report that Mr. H. Gregory, who has been confined to his bed for the past three months, has recovered sufficiently to sit up for a few hours each day. We hope, with the coming of warm weather, Mr. Gregory's illness will leave him, and that it will not be long until we see him around again.

A number of farmers were all ready to start seeding last Saturday, but the heavy rain Friday evening prevented them from doing so. Seeding will be getting in this district by April 23rd or 24th, and there is ample moisture to ensure a fine start towards a good crop for 1925.

ANNUAL CONVENTION WOMEN'S INSTITUTES

The annual convention of the Alberta Women's Institutes will be held at the University of Alberta on May 25, 27, 28 and 29 next.

Langdon

FATAL SHOOTING ACCIDENT

The whole community was shocked and grieved Sunday afternoon at the report of the death of Ray Jesse, in some manner his gun was accidentally discharged, killing him instantly. Ray was well liked by all. He was Noble Grand of the I.O.O.F. and the funeral on Tuesday was held under the direction of the Oddfellows' Lodge. The sincerest sympathy of all is extended to Mr. and Mrs. Jesse and sons in the loss of a dear son and brother.

Decased, who was 31 years of age, as the time the accident occurred had left Victor Lowe, a boy of fourteen, in charge of a band of sheep, with directions to bring them to the corral, as the coyotes were troubling them.

Ray then went ahead to open the gate leading from the field in which the sheep were pasturing, carrying the shotgun, which had been brought out to him by the boy when he returned from his midday meal. Young Lowe heard the report of a gun and looking in the direction of the gate saw Jesse fall to the ground. Raising up as quickly as possible, Lowe found Jesse lying on his face within a few feet of the gate. The boy at once rode to Langdon, about a mile and a half distant, and Roy Cowan, J.P., A. E. Botford, harness maker, and S. J. Scott, barber, of Langdon, returned to the scene of the accident. Dr. Salmon, who was in the district, being summoned, declared that Jesse was dead.

Mrs. E. Gibb and son, of Munson, Alta., left for home on Wednesday, after visiting her parents, Mr. and Mrs. J. Forgie, for two weeks.

Mrs. K. McLeod, of Calgary, was a weekend guest at the home of Mr. and Mrs. R. Cowan.

The Girls' Club had a very successful tea on Saturday. The following program was given, and much enjoyed by all present: Piano Solo, Ada Dye; Highland Flute, Mildred Doan; Piano Solo, Jeanette McIntyre; Reading, Alden Doan; Piano Solo, Marie Henderson; Song, Edna Dye; Reading, Ada Dye; Piano Solo, Victoria Barron.

Rev. T. H. Lonsdale conducted services in the Union Church on Sunday.

THE STAMPEDE

Among the matters to be taken up at the meeting of Strathmore Board of Trade on April 29, will be Strathmore's annual Stampede. The Stampede will, as formerly, be held on Peace Day, July 20, or on the nearest possible date.

This date is only three months away, and it is imperative that immediate action be taken, so everyone interested should attend the Board of Trade meeting on the 29th, in the Memorial Hall.

BOARD OF TRADE

A meeting of the above Board will be held in the Memorial Hall on Wednesday, April 29th, at 6:30 p.m.

Supper will be provided, and everyone who is interested in the welfare of the town and district is requested to attend. Matters of importance, such as roads, weekly half-holiday, stampede, etc., will be discussed, and definite action taken.

Mr. R. S. Stockton has promised to speak at the meeting, and his topic will be "From Strathmore to California, and the Outlook for 1925".

Members and others are asked to notify F. J. Dunn at once, so that arrangements can be completed for the supper.

CARD OF THANKS

I wish to express, on behalf of my family and myself, my sincere thanks for the sympathy and help extended me in my recent bereavement.
 R. BIGGAR
 Nanaka, Alberta.

Nanaka

The Nanaka Ladies Aid met at Mrs. Jack McBean's on Thursday last. The next meeting will be held at Mrs. Wooster's on May 16th. It has been decided to hold a sale of work at Mrs. Johnson's some time during May. The exact date will appear in a later issue.

Miss Merle Brown and Miss Mae Watts returned to Calgary on Sunday last.

NOTICE

Notice is hereby given that the Dining Room of King Edward Hotel, Strathmore, formerly managed by Frank Miller, has been taken over by Luke Yim, and the said Luke Yim shall be freed from all debts owed by Frank Miller.

Further, Luke Yim will remodel the entire dining room, and serve every customer with satisfactory meals at home prices. Every body welcome.

Funeral of Mrs

Robert Biggar

The funeral of the late Mrs. R. Biggar, who, as reported in last issue, died as a result of gasoline setting fire to her clothing, was held on Saturday. Service was conducted in the Union Church, and every seat in the building was occupied, many being present from the Nanaka district, testifying to the regard in which the deceased was held by her neighbours. The service was conducted by Rev. H. Rowe, and an address was given by Mr. Bennett, of the Gospel Hall, Calgary. Interment took place following the service, at Strathmore Cemetery. The floral tributes were numerous and beautiful.

The pallbearers were Messrs E. F. Wheeler, D. McLean, H. Scott, H. Brown, T. Thorson, and C. A. Watson. The following floral tributes were received:

Sprays from H. T. Collops and family, Monaghan's, H. B. Brown and family, Harry Scott, H. E. Thomson and family, Mr. and Mrs. E. E. Johnson, L. P. Wheeler, Mr. and Mrs. Jack McBean, Mr. and Mrs. Hodges, Wreaths from Mr. and Mrs. C. W. Watson, Charles, (Mr. and Mrs. R. Thompson, J. P. Lawrie and E. Wilson), F.F.A., Nanaka. Pillow from Citizens of Nanaka. Wreath from Father and brothers.

Mrs. Biggar is survived by her father, Mr. Patches, who resides in Iowa and by four brothers and two sisters.

Mr. M. S. Hirtle has the contract for the building of a new barn for Mr. Alex Incho. Work on this will be commenced shortly.

'Si mese' Girl Twins Are Able Musicians

Being destined to go through life united by a segment of bone that links their spines does not overshadow the happy dispositions of Violet Hill and her sister, Daisy, of San Antonio, Texas. The twins, pictured above, play all the enjoyment they can out of life, much as would any other human being.

They are said to be the first girls born united of an English speaking race who ever lived to reach maturity. They are 17 years of age. They are both apt musicians, playing either the saxophone or piano with equal skill. In the photo, Violet is shown at the piano with Daisy accompanying her on the saxophone.

LOCAL JOTTINGS

OF LOCAL INTEREST

Readers are requested to send in items of local interest, such as news items, or anything of local interest, by the Standard, Phone 17 or 68.

Calgary Exhibition will this year be held July 6 to July 11.

The "Edmonton Journal" is offering \$250 in prizes for competition for the best plan given for developing the natural resources of Alberta. The problem of the disposition and use of the immense natural resources of our Province is a big one, and there is no doubt that the Provincial Government, which will come into control of these resources next year, will welcome any new ideas from the people of the Province, which would assist them in developing the resources for the good of all.

Mr. Graham, Government engineer, was in town on Friday, on a visit of inspection of the Calgary-Medicine Hat highway. He was much impressed by the bad condition of the road, a mile south of town, and said that whenever the ditch dried up enough to permit work to be carried on enough labour would be put on there to put this road in good condition. A large number of cars have been stuck on the part of the road during the past three weeks, and though it is now drying up, it is very rough. Temporary repairs will be made right away.

A number of cards showing recent positions on the rural telephone directory have been issued from the office of the Standard. If you have not already got yours, ask for it from the Standard telephone office, or from the postmaster at Cheadle, Carleton Place, and Ardmore.

The road from Strathmore to Calgary is very good at present, and traffic is heavy. Tourist traffic has already commenced.

A deputation from Bessano Board of Trade interviewed Mr. P. L. National manager of the C.P.R. Department Natural Resources. Mr. National informed them that the company was intensely interested in the development of the sugar beet industry in the irrigation block. The company had agreed to pay the extra freight on shipments to the Raymond factory, thus placing farmers in the Eastern Section on the same basis as those at Raymond. He predicted that within five years a sugar beet factory would be located in the Eastern Section of the Block. The deputation also gathered the impression that the railway would be laid to the Gen and Bow Slope Colonies.

Dr. A. W. Gilvin writes us from Calgary yesterday that he is getting along all right, and will be back in Strathmore soon. Unlike a case reported recently, he says he does not intend to lay up to put his appendix up for another. He wishes us to state that he is very grateful for the kindnesses shown him during his illness.

The visit of the photographer, "Peter Pan" from the novel of the same name by J. R. Mearns, to the editorial staff of Friday and Saturday of this week, about his latest adventure of his career, is a very interesting and humorous. It is clever. And above all, take the children to see it. Mr. Hirtle's endeavors in bringing high-class productions to Strathmore are deserving of every possible encouragement.

A number of Calgary brethren attended the meeting of Strathmore Chapter R.A.M. last Thursday. The office of M.D. Bow Valley has been re-elected, and is at present being given an interior whitewashing.

When considering the purchase of a new car, give the local car dealer your consideration. Prices of new cars are set in the factory, and you cannot buy a car cheaper anywhere else than at home. Besides you get service locally that you do not get with an imported car. The local dealer has been shown their faith in an automobile in the district by building garages that are equal to anything to be found in the cities, and if you think before you make a deal you will buy at home.

A well-known Canadianette met with a peculiar accident when in a grey last week, swallowing a chicken bone, which stuck in his throat. The doctor of a surgeon had to be summoned to remove the bone. Another instance of the dangers which confront one in the big city.

The C.P.R. have found a new way of transporting trees. The big ones taken out at irrigation headquarters are being taken out with a derrick, this machine being a travelling crane with a scoop attached.

Stinkbaker cars have been sold recently by Harold Bell (dist.)-distributors, to E. B. Bertelsen, Walter Koeler, and Leslie West.

Strathmore's orchestra will provide the music at a dance to be held in the Memorial Hall on Friday, May 1st, under the auspices of the G.W.A.A.

Baron Josef Casanova, a Hungarian noble, who, with his brother Andre, has purchased the Bow River Ranch, was in Strathmore last week, selecting a number of cattle from the Demonstration Farm for his ranch. He leaves again for Hungary at the end of May to bring out more settlers, but intends to be a permanent resident of the Province.

J. M. BARRIE'S "PETER PAN" ON SCREEN AT LAST

The secret of the origin of "Peter Pan" is out. "Peter Pan" gives it away at last in Herbert Brenson's famous fantasy for Paramount, coming to the Memorial Hall Friday and Saturday of this week.

"When the first baby laughed for the first time, his laugh broke into a thousand pieces and they all went skipping about. That was the beginning of fairies," says Peter Pan. Children who believe in fairies are the ones who keep them alive, according to Peter.

"Every time a child says 'I don't believe in fairies,' one of them suddenly dies. Fairies are nearly all dead now because so many children refuse to believe in them any more."

The adventures of the three Darling children, Wendy, John and Michael and Peter in the Never Never Land form the theme of Barrie's wonderful fantasy.

For more than twenty years, "Peter Pan" has been a favorite with millions of theatre-goers. For the first time this wonderful story has been brought to the screen.

Betty Bronson, chosen by Barrie, plays the title role. Ernest Torrence, Cyril Chadwick, Virginia Brown, Fairs and Anna Wong are featured in the pictures.

Willis Goldbeck adapted the screen play from Barrie's stage production. Roy Pomeroy's artistic genius materially aided Herbert Brenson in the filming of many fairy-like effects.

GRAIN CARS LOADED

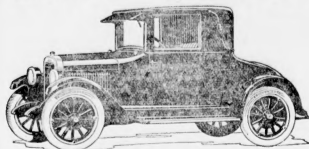

ON C.N.R. SHOW GAIN

An increase of more than 90 cars of grain loaded as compared with the corresponding week of last year, is shown by the Canadian National Railway's report covering grain loading on western lines during the period March 15 to 19 inclusive.

Advertise--It Pays.

Social--Personal

Mr. and Mrs. N. J. Davis visited with Mr. and Mrs. Chas. Keeling last Thursday. Mrs. Keeling and son returned with them for the week end.

Mr. W. M. Taylor, of the Exhibit Branch of the C.P.R., is on a three weeks business trip to Winnipeg.

We regret to report the death of the infant daughter of Mr. and Mrs. J. J. McCardell, which occurred on Wednesday. The sympathy of the community will go out to Mr. and Mrs. McCardell in their bereavement.

Dr. A. W. Gilvin was operated on in the General Hospital, Calgary, on Wednesday for appendicitis. The operation was successful, and the Dr. is now making a good recovery. We trust it will not be long till he is back in Strathmore again, and in better health than ever.

The death took place on Thursday at Calgary of Mr. L. T. Mowbray, of the firm of that name. Mr. Mowbray was one of the western pioneers, and has had local connections with grocery firms in this district for a large number of years; his travelling representative here being the popular Kenny McLenna.

Mr. Harry Freeman, gardener at the C.P.R. headquarters, who has been seriously ill for the past ten days with blood poisoning, caused by a silver in his hand, is now making a good recovery.

Mr. W. Tainah, a former employee of the C.P.R., but for some years past with the Duke of Sutherland's farm in B.C., visited over the week-end with his daughter, Mrs. John Sharp.

Mr. and Mrs. Hornstra, and family, of Balzac, visited with Mr. and Mrs. D. F. Doliseval on Sunday.

Rev. Mr. Alwood, of Ogden, who conducts the Anglican services in the points on the Langdon-Acme line, has been confined in his bed for the past two weeks, and his place is being filled at present by Rev. T. B. Winter.

Mrs. F. A. Metcalf, mother of Mrs. G. F. Butler, died at Winnipeg, Tuesday. Mr. and Mrs. Butler left for Winnipeg on being wired that she was seriously ill, but were not in time for the end. Mr. Butler was in Strathmore on business when notified, and caught the morning train at Carleton Place. The funeral was held at Burford, Ontario, Mr. Metcalf, Mrs. Butler, and another sister, Mrs. Bell, accompanying the body east. Mrs. Metcalf was well known locally, having visited here occasionally when the Butler family lived in Strathmore.

Mrs. F. H. Tucker and two sons, of Castor, visited with Mr. and Mrs. Frank Scales last week.

Raymond Breen, who returned from the mountains some weeks ago, is now employed with Mr. Roland Hill. Raymond is a good ball player, and will strengthen the local line-up.

ANGELICAN SERVICES AT
KEOMA, ACME, IRRICANA

April 26th--Holy Communion at 11 o'clock at Keoma. Acme service at 3 p.m. Irricana service at 7.30 p.m. Rev. T. B. Winter will officiate owing to the illness of Rev. Mr. Alwood.

MAY BUY LAND IN ALBERTA

Two members of the Hungarian nobility, Barons T. Chervassy and A. Chervassy, are now in Alberta arranging for the purchase of land in the Calgary district, which they intend to farm.

G.W.V.A. Elect Officers

In common with other parts of the Great War Veterans' Association throughout Canada, Strathmore G.W.V.A. held a reunion meeting in the Memorial Hall on Wednesday evening last.

While the attendance was not as large as had been hoped for, a very enjoyable time was spent.

The first part of the evening was taken up by the general business. Several new members were admitted, and the election of officers was held. Those elected were the following: President, Chas. Keeling. Vice-president, F. Anderson. Secretary, W. S. Patterson. Hall Manager, Jas. Swanson. Assist. Manager, Fred Anderson.

Chairmen of grounds, entertainment, and hall and finance committees were also elected.

On behalf of the members, Past President John Mackenzie presented the retiring President, Comrade Jas. Gunn, with a past-president's badge in recognition of his services to the Association.

Following the business meeting, refreshments were served, and a pleasant evening spent in song and story.

CLEAN UP!

Property Owners and Occupiers are requested to at once have all refuse, etc., raked into heaps, burnable, non-burnable, and ashes to be in separate piles. Place in position convenient for removal by wagon. The Town of Strathmore has contracted with Mr. John Schaufeli to remove this material, but all cleaning-up of yards, etc., has to be done by the owners and occupiers. The town will not remove manure. This will have to be done by property owners or occupants.

The old nuisance ground is not to be used hereafter, and no person but the town contractor will have access to the new ground without special permission.

After this date it will not be allowable to deposit refuse on the ground. Provide garbage containers of sanitary type. These will be emptied regularly by the town.

The Council, in the interests of public health and cleanliness, look for the co-operation of the towns people in this matter, and all not complying will be liable to prosecution. By order.

F. R. LILLY, Sec.-Treas.

ROBERT INGLIS, — — — Proprietor

"Why We Should
Buy At Home"By Archie Gray, Strathmore, Fourth
in Essay Competition.

We should buy at home, and buy home-products, or products made in our own province or country, because then we would be helping our home manufacturers.

People are seeing the advantage of home-buying, and it is now generally advocated in all the newspapers of the country.

Why we should buy at home—
First—Because it makes home-growth possible.

Second—it brings the merchant and consumer nearer together.

Third—it helps us to be business.

Fourth—it makes a market for our product.

Fifth—it makes good feeling among the people of the community.

Sixth—When we buy at home we get as good a bargain as if we sent away for it, also when we buy at home we see what we are buying.

Buying at home makes home-growth possible, because when a town with such community spirit is heard of, people will come to live in it. When home-products are bought it means more employment and more workmen will come to the town, this means the enlarging of the town to accommodate these people. Once started this growth would keep up, and the town would soon be the leader of its class.

Home-buying brings the merchant and consumer closer because when the merchant sees how the consumer is trying to aid him by buying at home, he will begin to offer reductions to induce the consumer to buy still more at home. By many consumers buying at home, the merchant will then be able to offer still greater reductions, and before long we would be getting better bargains at home than if we sent away. This would bring the merchant and consumer nearer to each other.

Home-buying helps people in business because if one person sold home-products he would have to buy some material from a merchant who handled that kind of goods. This merchant would not always be the same, therefore all would get a share of the trade. We should buy our goods at home because then the producers would have a chance to sell their produce at home, and would not have the expense of shipping to the larger markets also the more we buy at home the bigger the market for the producer, and for home-products. This would be a benefit both to ourselves and to the producer, because we could then get fresh produce cheaper, and the producer would save the expense of shipping his produce, and would also give him a market for his produce.

Buying at home makes good feeling among the people of the community because if the people are trading among themselves they will get to be better acquainted, and better friends. Merchants will have a better feeling towards you if they know you give them a chance instead of the mail order houses. People will then have a better feeling towards one another, and will become united and make the town a prominent one in the province.

When one buys at home he is able to get as good a bargain as if he had sent away for it, because if the price is cheaper, then the goods must be better, and so he doesn't get the service he should from his bargain. But if we buy at home we can see what we are buying, and so buy a better quality or grade of goods which gives better service for a not much greater price. Thus giving home-buying the advantage over mail order buying.

By buying at home we help ourselves, our town, or community, and our province and our country. Home-buying is one of the greatest factors in world commerce, and will develop the finances of the country.

Dalemead

Here, there, and everywhere, the farmers are once more at their work in the fields. Here's hoping that their tills may be crowned with a bountiful harvest this fall.

Mrs. M. L. Colwell, from Carstairs, was visiting the Van Der Velde family before leaving for her former home in Los Angeles, California.

Mr. F. W. Rudolph returned from Vancouver last Sunday, April 19, and is feeling better after his recent illness. The Hornstra's were visiting friends in Strathmore last Sunday.

We have been searching the district all over for news, but its pretty scarce these days. Adieu, until next week.

Keoma

The ladies of the district held a shover at the home of Mrs. Lofsgaarden, whose home was burned down last Thursday morning. Many useful household articles were presented, after which a unity lunch was served. The ladies present were: Mesdames Brown, Bradner, Bay, Bell, Fair, Frank, Galloway, Klatsen, Park, Percival, Rinden, Shepherd, Thompson, Runkly, Rintoul, Wilding, Wilson, Wright, and Misses Hult and Power. Mrs. Thompson made a suitable speech, and presented the gifts to Mrs. Lofsgaarden. The many presents proved in a practical way, the real sympathy which the community felt for Mr. and Mrs. Lofsgaarden and family.

Mr. Roy Runkly suffered a rather severe accident from the bull on the ranch, but is improving rapidly.

Mr. Sheppard and Mr. Brown were both visitors to Calgary last Friday. Mr. and Mrs. Thompson also visited the big city.

Miss J. Dean is spending Easter week at the home of Mr. and Mrs. Thompson.

Miss Marie Rinden has left Keoma district to work in Calgary.

The Keoma Dramatic Society are expecting to present the play "Nothing but the Truth," on May 24th. It promises to be a side-splitter, and we all hope that it will be ready by that date.

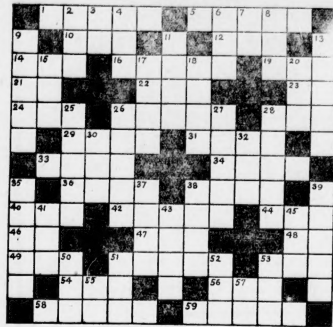

Mrs. Hollister is spending a few days at her mother's house.

The baseball teams around here had better look to the laurels as the K.K.K. (Keoma-Kathryn Klub) promises a real game this year, and the manager is looking for teams to play against.

— Mr. Charlie Say —

"Th' words o' th' wise are often taken too seriously 't of the fool— not 'serious enough—"

A PRAIRIE HEROINE

In our last issue we recounted briefly the story of Mrs. R. Bigney's death in a successful effort to save her baby and her home from destruction.

An incident such as this, tragic though it was in its termination, is a reminder that the age of heroism is not past.

A sacrifice that is voluntary requires the greatest degree of self-abnegation.

A sacrifice such as this is not in vain. We all have to die sometime or other and to die in the act of performing some deed that will be to the advantage of the future generation is better than to live a long life with no thought but that of self.

Besides the act the inspiration afforded is of value to us.

CANADA AND THE EMPIRE

A Trade and Labour Congress meeting, held in Ontario lately, and dominated apparently by Communists, declared in favor of Canada demanding complete independence of the British Empire. Our local federal member, Mr. Wm. Irvine, was nominated at this gathering as a representative to the general trade and labour congress in Britain this year.

We are rather surprised that a communist gathering should ask for Canada's separation from the British Empire. Communists are supposed to be internationalists, and the British Empire is the biggest example of internationalism in the world today. Communist Russia has not ceased in the desire to expand and annex, continuing in that way the policy of the Empire of the Czars. Perhaps the revolution can be attributed to a desire to be "again the Government," rather than to conviction.

But the desire for separation and independence is unfortunately not confined to Communists. The speeches of some of our politicians bear witness to a desire to have Canada an independent nation. This desire seems to proceed in some measure from protectionism, in some measure from a desire to create more jobs for deserving politicians, and a remainder might be attributed to swelled head caused by the atmosphere of office.

As part of the British Empire, Canada is much greater than she would be as a separate country. The Empire, in area, covers one-fourth of the globe's surface, and a similar proportion in population. It has not grown by any definite plan, but by the genius for colonization and development of the people on the little islands in the Atlantic.

Canada is not an economic unit. She cannot exist without products from other countries nor without exporting to other countries. But the British Empire, if desirable or necessary, could. The greatness of the United States is largely due to its extent, which enables it to produce more of its own needs within its own borders than any other country in the world. And, of course, it is also largely due to its inheritance of the British ideals of justice and fair play.

Ex-president Wilson's idea of "self-determination of peoples," taken by itself, has done more harm than good. It has to be accompanied by the other idea he fostered, of the League of Nations, to be successful.

The British Empire is the nearest approach to a practical League of Nations existing today. There is no coercion exercised on any of the parts now in the Empire. They are working out their destiny in common.

The Dominions of the British Empire, and the United States of America, are united by ties of blood, which are more powerful than any tie that could be devised. The welfare of one is the welfare of all. Whoever some politicians and self-seekers may be able to hinder, they continue to work towards the one ultimate goal of "the brotherhood of man," the federation of the world, and they can do that best by working in common.

ADVANTAGES GREATER IN WESTERN CANADA

Comparative figures show that 25% of the farms occupied in the United States are farmed by tenants, and only 8% rented in Canada.

The Canadian advantage is much more striking when the three prairie provinces, Manitoba, Saskatchewan, and Alberta, the largest grain growing area in the world, where yet there are millions of acres awaiting settlement, are compared with those sections of the United States of similar general conditions and production. The average price of occupied farm lands in Manitoba, including both improved and unimproved, together with dwelling house and buildings, is \$28, and in Saskatchewan and Alberta \$24. According to these prices are the following comparative figures per acre in various States, according to the last United States Census of Agriculture.

Ohio	\$113.50
Indiana	125.50
Michigan	75.48
Wisconsin	98.78
Minnesota	109.25
Iowa	239.00
Missouri	88.08
North Dakota	41.10
South Dakota	71.40
Nebraska	47.91
Kansas	62.30
Montana	22.15
Idaho	69.48
Colorado	35.40
Utah	48.26
Nevada	\$8.11

According to findings of the United States Tariff Commission in 1922, the Canadian farmer can produce a bushel of wheat for less than the American farmer, principally because Canadian wheat lands are cheaper, the average yield per acre higher and cost of transportation to markets lower.

STORE CLOSÉS—"WE QUIT NEWSPAPER ADVERTISING" GIVEN AS REASON

Champaign, Ill.—Withdrawal of all advertising several years ago from the Champaign News-Gazette is the chief contributing cause of the failure of Murdoch Brothers for 18 years a leading ladies ready-to-wear store in the University city.

This blame is assumed by E. L. Murdoch in a signed letter published in the News-Gazette, following the voluntary closing of the doors of the concern, to advert being thrown into bankruptcy.

The part of the letter touching upon his inability to hold the public's trade without newspaper space follows: "Another contributing cause, and perhaps the greatest contributing cause, is the fact that four years ago our firm, because we thought the rate was too high, withheld all advertising in the News-Gazette. For two years we were out of the paper. We were without proper means of getting messages about our store into the homes of our friends and buyers. The result was they soon forgot us. We tried other forms of advertising to supplant the News-Gazette, but we found none that was effective. Our business continued on the downgrade."

"After two years we saw the error of staying out of the News-Gazette. Advertisements were made again with the News-Gazette to bring Murdoch Bros. advertising into the homes in this community. The business began to thrive—but it was too late. Sincerely our friends had forgotten about us. The fault was ours. For too long we had failed to remind them about the splendid merchandise and values in our store."

Slat's Diary

Friday—Mrs. Gillean was a telling I and met about her sister up in Con-
necticut, which has been divided on a new crew in life. She has been married three times but has been having bad luck with her husbands so she made up her mind not to get married no more but has started out to training pilots and is now with me on the transatlantic stage or something like a ringer.
Sat—pa sent off for a catalog on antiques furniture and it came today and he said home and red it with us others went to the picher shop down town, and when we came home he said a cooling to all the beds they got advertised that Lafayette sleep in when he made a call on the United States only he has of his very large and spent most of his spare time in bed.
Sunday—Jake shut ought to be a warning to the rest of us, he was sick and couldn't go to Sunday school today on acct, the Dr. said it was caused by over work. Well all I got to say is I hope it doesn't come back.
Monday—I am afraid I will have to go back to the dentist and get a job repeated over again, he filled a tooth and every time I am eating & bit it with my knife it hurts so bad I put near him. Sun times.
Tuesday—got a new pair of pants for school today but I am afraid they are not much use, because I sit down on a huncher and it comes clean there them, & without stopping till it got to where I was at.
Wednesday—Ant Emmy wandered if John Little was in the hotel business and when he got why she said she read in the paper where he had boarded a train the other day.
Thursday—was a cutting the grass today and Mr. Cressall comes by and as me if I was to get any thing for cutting the grass. I said I didn't do it for no one but he said he had told me what I was gonna get if I didn't go on ahead and cut it.

When the round-the-world cruise passengers aboard the Canadian Pacific steamship "Empress of France," reached Egypt recently, they were entertained by Enani Khatib, a prominent sheik holding authority over a large number of Bedouins along the Nile. Unfortunately, the sheik succumbed to a sudden attack of heart failure. The visitors from across the Atlantic before returning to their ship were permitted to attend the funeral, which was conducted in the desert with weird and impressive religious rites, an experience few world-travellers have known.

Between 300,000 and 400,000 Canadians and Americans of Norwegian origin will gather at Minneapolis and St. Paul in June next to celebrate by a great national gathering the hundredth anniversary of the landing of the first organized party of Norwegian settlers on this continent. President Coolidge, King Haakon of Norway and Lord Byng, Governor-General of Canada, have been invited to attend. Ministers of some forty Norwegian organizations, divine service by the Bishop of Oslo (formerly Christiania), field sports, musical contests and historic pageants will make up the programme.

LARGE FAMILY PARTY FOR ALBERTA FARMS

MANY more inquiries are being made in the United States for farm homes in New Ontario than ever before, according to a Dominion Government official stationed at Detroit, but Manitoba and northern Saskatchewan and Alberta is the objective of most of these new home seekers north or who are negotiating to cross the line. It is sending a number this spring to northern Alberta, around Lac La Poudre, said this agent. "In

June, 1925, I sent from here to that place 35 people in one car. ALL THE FAMILIES OF THE FOUR PLANNING BROTHERS. They lived at Provost, Mich., and their parents originally came here from Quebec. These people are going home or Americans who have previously resided in Canadian farms."

Photograph shows the Planning families, when they left the Canadian National train on reaching their destination. — C. N. R. Photos.
